## MassDREAMS Grant Program Details are Here!!!

Coming on September 12th, MassHousing will launch the MassDREAMS GRANT Program. The MassDREAMS grant will provide expanded down payment assistance, as well as other support, for people and places that have been disproportionately impacted by COVID-19. The grants will be made available to eligible first-time homebuyers who currently reside in a Disproportionately Impacted Community for the purchase of a primary residence anywhere in the Commonwealth of Massachusetts.

In preparation for the upcoming rollout, MassHousing will need to receive your acknowledgment of participation. Your acknowledgement will be in the form of an email to [MassDreams@masshousing.com](mailto:MassDreams@masshousing.com) along with your institution's wire instruction, on the MassHousing template and must be on your company letterhead, for receipt of the grants.

You are invited to one of our upcoming Lender Trainings on September 6<sup>th</sup> and September 7<sup>th</sup>, which we will cover the MassDREAMS Grant Program Guidelines, Process and Workflow, FAQ's and more. If you are unable to attend, no worries, MassHousing will be holding trainings 1 day a week during the month of September.
