## **Elderly and Disabled Residents of Brockton Apartment Communities to See Property Improvements and Extension of Affordability with \$24.4 million in MassHousing Financing**

### ***84-unit Hamilton Wade House and 158-unit Douglas House will remain affordable for at least 40 years***

BOSTON – May 20, 2015 – Residents living in Hamilton Wade House and Douglas House in Brockton will see significant property improvements and the extension of affordability for at least 40 years as a result of \$24.4 million in MassHousing financing.

The Retirement Housing Foundation (RHF) purchased the 84-unit Hamilton Wade House and the 158-unit Douglas House, both located on Haverhill Street in Brockton. As part of MassHousing's financing the owner will extend the two Section 8 Housing Assistance Payment contracts and extend the affordability for 240 apartments for at least 40 more years and provide two units for onsite maintenance staff.

"We are very pleased to be able to close this financing with RHF to make improvements on this important affordable housing in Brockton and to preserve and extend the affordability for the low-income senior citizens and disabled residents who live there," said MassHousing Executive Director Thomas R. Gleason.

Of the 240 rental apartments, 197 are one-bedroom and 43 are two-bedroom and 216 units will be restricted to households where the head of the household is at least 62 years of age. Ten percent of the apartments – 24 units – will be set aside for adults regardless of age who are mobility impaired.

Among the improvements planned for the property are replacement of windows and doors and upgrades to two elevators and upgrades to parking lots and walkways.

"RHF shares MassHousing's commitment to preserving affordable housing for low-income seniors and persons with disabilities," said Dr. Laverne Joseph, President and CEO of RHF. "We look forward to being a source of affordable housing in the Brockton area for the next 40 years and beyond."

The Braintree-based Schochet Companies worked with RHF to help close the MassHousing financing.

"It was a pleasure working with MassHousing to ensure that Retirement Housing Foundation could preserve and improve this critical affordable housing resource in the city of Brockton," said Richard L. Henken, president of the Schochet Companies. "It is gratifying to know that the low-income residents at the Hamilton Wade House and Douglas House will be protected for the long term and that they will benefit from the investment of more than \$6.3 million in capital improvements."
